SPRING LOADED

ISSUE 7

DEC 2021

North-West Support Services joined with the Wynyard Community Garden to provide an event for "Spring Loaded," an alternative to the usual Tulip Festival that was cancelled due to COVID restrictions.

Eastside musicians, Aaron Hopper and Curtis Poke were joined by garden member, Ken Nicholls' harmonica group that had everyone tapping along with one of the visitors to the garden joining to sing with the group.

There was plenty to see in the garden beds that were coming into bloom, a fascinating Bonsai

display by Suchita Aplin, mural artist, Damien Rossiter was touching up the garden's mural, visitors were buying from the spring seedlings and second-hand table and fresh coffee was available from Spilt Milk and Beans.

The mosaics from the garden's mosaic program were also on display in the garden shelter.

NWSS cinematographer, Paul Corfiatis was on hand to film the event.
