when we were little
Grant and I used to bounce
On the trampoline
Until it got a bit old
I think it was an orangey
colour

Grant liked little
matchbox cars
Grant liked the pink teddy
and I liked the yellow one
Isn't that strange
Grant liked playing in the
sandpit with me
And we made mud pies

Grant weighed 7lbs
Same as me
when he was born
He's a lot bigger than me
now
We see each other every
day
He comes in for coffee in
the morning
I walk with him to work
Then go to woollies and
buy his milk

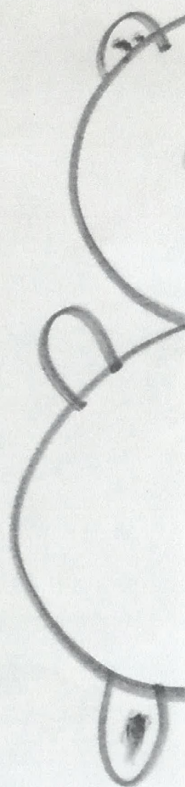

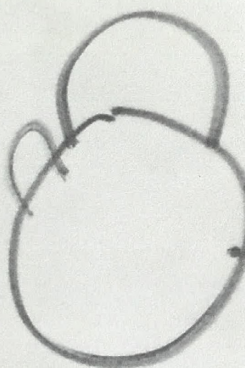

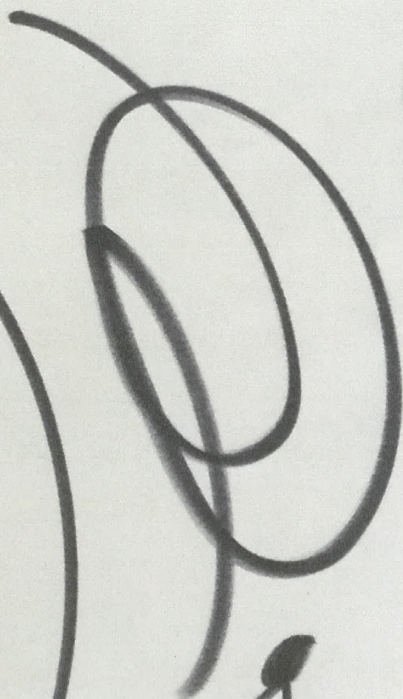

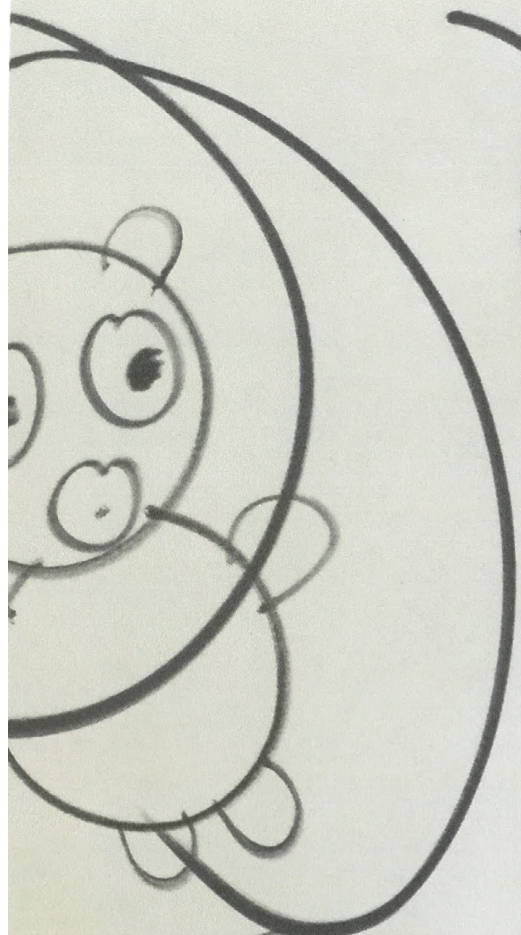

Sometimes he brings me
home teddy bears from work

Grant thinks of me

At work Grant wears blue
trousers hi visibility
tops and work boots

He has work gloves when he
picks up the bales of
clothes at work

I tell him to pull his
pants up

Every Sunday we go up to
Mum and Dads for lunch
Last Sunday we had roast
lamb

Grant has carers
Jason, Ben, Sallee and Bec
Grant likes TV

I don't know what he
watches

Music well Grant likes the
loud stuff

He never gets grumpy with
me except sometimes when
he has to work

When we were little

Grant used to pull the
heads off my barbie dolls

He says
Do you still love me sis ?
And I say
Of course I do

Sometimes he grows a
moustache
we both went to
west park special school
