THE SONIC PLAYGROUND OF ZINC

Eastside goes international

IN 2021 NWSS MUSIC COORDINATOR, AARON HOPPER AND PROTÉGÉ, PAUL CORFIATIS CREATED THE SOUNDTRACK FOR BIGHART'S ZINC PRODUCTION.

AARON AND PAUL TURNED 270 RECORDED PRODUCTION SOUNDS FROM NYRSTAR'S HOBART ZINC WORKS INTO A MUSICAL SCORE.

THE PERFORMANCE AT NYRSTAR IN HOBART BY AARON, PAUL AND BASS GUITARIST, CURTIS POKE CELEBRATED THE PLANT, THE PEOPLE WHO WORK THERE AND THE LOCAL COMMUNITY.

PERFORMANCES WERE SOLD OUT AND THE AUDIENCES LOVED IT.

IN 2022, BIGHART WAS INVITED TO EUROPE BY NYRSTAR TO PERFORM AT THEIR PLANTS IN THE NETHERLANDS, BELGUIM AND FRANCE. AARON, EXPANDING ON PAUL AND CURTIS'S WORK PERFORMED IN COLLABORATION WITH GUEST PERCUSSIONISTS.
